RE: Plan of Administration and Power Supply Adjustor Calculation and Projections
Docket Nos. E-01345A-03-0437, E-01345A-05-0526 and ~~E-01345A-05-0816~~

Dear Mr. Wheeler:

Thank you for arranging APS' response to my August 25, 2005 request for certain data needed to evaluate the PSA Plan of Administration and APS' surcharge request.

I am currently working on some "what ifs" involving base cost and bandwidth as they affect surcharge frequency and amount. To assist me in these efforts, please provide APS' best estimates for 2005 through 2010 of "Annual Native Load Sales" and "Net Fuel and PP Costs," as these terms are used in the tables attached to Robert Gray's March 9, 2005 memorandum to Ernest Johnson. As with my previous request, please direct this information to Commission Staff. Any confidential information provided to my office in response to this letter will be kept confidential.

Thank you for your continued assistance.

Sincerely,

Mike Gleason
Commissioner
